

PROGRAMS

Veterans Individualized Placement (VIP) Program

We work with veterans that are facing homelessness by facilitating employment readiness and job placement. Each veteran partners with a member of the Goodwill support team to develop and execute a job placement plan. These job seekers are provided with housing assistance, food, transportation, and other basic needs during and after the job search phase.

Veterans Family Services (VFS) Program

Veterans and their families that are homeless or facing homelessness are invited to Goodwill for help. Our support team works with them to facilitate a plan to secure and sustain safe housing. We do this by providing financial assistance, location of appropriate housing and case management.

New Opportunity Work (NOW) Program - Phase I

While in custody awaiting trial or completing their sentence at the County Jail, Goodwill staff facilitates employability workshops and moral recondition therapy for those that have self-identified as wanting to start a new life upon release. These workshops prepare the individual to transition back into employment in a positive and productive fashion. Many of the workshop attendees join the NOW Program Phase II upon release.

New Opportunity Work (NOW) Program - Phase II

Goodwill assists those that are starting over after having been involved in the criminal justice system. Upon enrollment into this program, these job seekers are placed into immediate paid employment as they work on their progression toward obtaining employment within our community. During this transition period, Goodwill support staff works with each person on an individualized basis to facilitate moral recondition therapy, mentoring and ultimately placement into a job that has promise.

Employment Readiness Program

Goodwill uses its social enterprises to offer transitional employment opportunities for people that are struggling to obtain employment. While in the paid work program, these job seekers also participate in paid workshops that address cognitive behavior and employability skills training. The support team works individually with each to assist in the transition to mainstream employment within our community.

After-School Programs

Goodwill manages after-school programs at four high schools in San Jose. We work with at-risk students to help them achieve their goal of earning a high school diploma. These programs also engage the students in activities that enrich their experiences such as learning a second language, fitness activities, music, robotics and much more. Hot meals are available to these students as well. Goodwill is on campus at these schools every afternoon during the school week.

GoodHealth

This program is designed to strengthen independent living skills for high school students that live with developmental disabilities. While this is the focus, we are also able to engage these students into activities that they may not otherwise experience such as attending a prom, a day at the bowling alley, being entertained by dancers, and more.

Good Guard Program

Goodwill's professional security guard officer training program, the Good Guard program prepares each student for a rewarding and long-term career in the security industry. Classes are offered each month and are open to the public.

Vocational Training Programs

Goodwill vocational training programs prepare students for careers within the Construction, Information Technology, Auto Detail, and Security fields. Upon graduation, each vocational training program graduate receives job placement assistance to gain entry into these fast growing job sectors.

PLANET

As a local community we are all facing environmental concerns from water shortages to pollution. Goodwill of Silicon Valley shares in the responsibility of preserving local environments for future generations. In 2015, Goodwill of Silicon Valley instituted several sustainable business practices related to our transportation and recycling departments which resulted in Goodwill of Silicon Valley diverting over 38 million pounds of goods from local landfills, which is enough to fill over 80,000 dumpsters!

At Goodwill of Silicon Valley, we constantly strive to achieve efficiencies and sustainable business practices that reduce our carbon footprint and divert donated goods from local landfills. In 2015, Goodwill of Silicon Valley's recycling programs achieved some incredible accomplishments:

- Served 903,851 Donors.
- Handled 47 million pounds of donations.
- Diverted 1.7 million LBS of Ewaste from local landfills.
- Diverted over 40,000 mattresses from local landfills.

Donate Stuff. Create Jobs.
